2018 Contract for Banner at Football Field

The Boosters are selling 6'x3' vinyl banners to area businesses and individuals interested in supporting North Branch athletics. The banners will be displayed at the North Branch football field to promote your business or organization and demonstrate your support for our athletic programs.

The North Branch Athletic Boosters and Buyer agree to the following conditions:

- The cost is \$150 for a 6' x 3' banner (this includes hanging the banner for the 1st season). The Boosters will coordinate the design, printing and displaying of your banner.
- Once your banner is created we will store it in the off-season and you will be contacted to see if you wish to have your banner displayed in future years for just \$60. If you already have a banner created, we can display that for \$60 and return it to you.
- All banner art will be approved by you before final printing.
- Banners will take 7-10 days to complete once your order is received. **Finalize your order and payment by August 8th** to ensure that your banner is hung before the first home football game on August 23rd.
