Athletic Update: Al Margrif

- Thankful for all the help to get the game Friday night up and running! Banners... Concessions... Grounds... Stadium lights... DJ... new play clocks installed!
- Play clocks went in last minute. Money was entirely raised by a community volunteer to purchase 1 or each endzone. Jim Klutts volunteered men and hours to get them installed.
- Still need to raise about \$30,000 for the track project
 - A goal would be \$15,000 per year for the next two years.

- Brick Fundraiser closes soon! Jason will get info to the paper for last blast before it closes. Will reopen fundraiser in the spring.
- Stadium Screens are here! However, we are holding off installing until the spring due to how the screens could hinder seeing onto the field from spectators watching from the fence.
- Soccer Backstop Netting- Waiting on Miss Dig before proceeding. Should be here this week.
- Softball Facility Task Force- Al is beginning to build a group to move this project forward. Al asking to get the word out. Mr. Hypes may be a resource for getting blocks and labor.
